Agent Report—John de Montmollin:

- Camp registrations were due, numbers are down.
- Communication Arts Day was April 22, 2017, again numbers are down, discussion on how to increase attendance.
- John brought up discussion on deadlines and how to determine what is a “Hard Fast Rule” and what deadline would have some flexibility. For instance, camp registrations were due May 1, but if someone came in afterwards, John would do what he could to get that kid to camp as there could still be room. But a livestock deadline might be firm without flexibility. So it was the consensus to use the term “deadline” for a hard, firm rule and the term “due date” for something that could have some flexibility.

Fundraising:

- Bonnie said sponsorships are slightly up this year about \$1300.
- Jacky will handle the scholarship baskets and schedule would be the same as last year.
- Donna also said the Bingo schedule would be the same as last year, Sunday would be from 1-4 pm.
