DAIRY PARTICIPATION IN THE LIVESTOCK AUCTION

- **History:** In order to help support youth exhibitors showing dairy animals, the Green Lake County Livestock Council voted on September 28, 2006 to include space for five dairy animals in the Green Lake County Fair Livestock Auction. These five spaces are reserved for the following exhibitors: Supreme Champion Cow, Reserve Supreme Champion Cow, Best Senior Showperson, Best Intermediate Showperson and Best Junior Showperson.
- **Eligibility:** In order to be eligible for the auction, dairy exhibitors must meet the requirements listed in the Livestock Council Handbook. If an exhibitor has not met the auction requirements or decides not to participate in the auction, the auction space will go to the next exhibitor in that class and continue until the space is filled.
- **Deadline:** For printing deadline purposes, it is the responsibility of the Green Lake County Fair Dairy Superintendent(s) to identify all five exhibitors and submit those names to the Green Lake County Fair Office by **Friday of the Fair at 1:00 p.m.** Failure to meet this deadline could result in not having dairy exhibitors participate in the auction.
- **Funds:** The dairy animals will not actually be sold, but rather auctioned for sponsorship. After a 5% fee is paid to the Green Lake County Livestock Council, the remaining funds raised will be distributed as follows: 50% of the funds to the auction participants and 50% of the funds will be paid to the Dairy Bonus Premium Committee for distribution to all dairy exhibitors.

SALE ETIQUETTE

Follow guidelines as printed in current premium book. All exhibitors selling an animal in the auction **MUST** be present in the ring, at the sale. If an exhibitor wishes to be absent at the sale, he/she must request permission in writing, from the Livestock Council Executive Board, prior to the sale.

SALES COMMISSION & FEES

Sales commissions will be assessed to cover the costs incurred conducting this sale and educational programming for the youth. The fee schedule is as follows:

- § Beef 2% + \$1.00 for Beef Check-Off
- § Sheep 4%
- § Swine 4% + gross amount x.0045 Pork Check-Off
- § Poultry 8%
- § Rabbits 8%
- § Dairy 5% + 50% Dairy Bonus Comm. + 50% exhibitor

\$5 per lot will go to the Green Lake County Fair Community Involvement Program.

CHAMPION AND RESERVE CHAMPION

The Grand and Reserve Grand Champion of all species must sell in the Livestock Auction if the exhibitor is eligible for participation in the auction. The only exception is if an exhibitor wins both in same species; the Grand Champion must sell at the auction.

OWNERSHIP

- § Once an animal is sold it becomes the property of the buyer.
- § The exhibitor has the responsibility of caring for said animal until it leaves the fairgrounds.
- § Buyer can agree to allow youth to show said animal (excluding swine) at the Wisconsin State Fair.
- § Final disposition of the animals will be at the buyer's discretion.
- § Participation in swine carcass show is optional for the buyer.

SHOWRIGHTS

If show rights on sold animals are to be retained, it is suggested the seller/consignor/exhibitor, for their own protection, obtain a signed release form from the buyer indicating he/she understands the concept associated with show rights and has agreed to allow the seller to retain those rights on the identified animal (animal identified by sale number and State Fair tag or other identifying data). A notation of how the sale of the identified animal will be addressed should the animal qualify for sale at another show also should be included. The release should be obtained before load out Sunday and a copy should be left with the sales species load out representative then. **The Green Lake County Livestock Council will not be responsible for any misunderstanding, damage or delays in delivery resulting from the granting of show rights to any consignor or seller.** An announcement to this effect will be made at the sale and included in any sale-related information.

SHIPPING OF NON-SALE ANIMALS

Exhibitors of market animals brought to the fair but not sold in the auction, yet wishing to sell or process the animals, must turn in their location designation to the superintendents by noon on Saturday. Animals will not be shipped if this is not done.

ANIMAL MANAGEMENT & CARE/EXHIBITOR PRESENTATION

Each project animal is expected to be in excellent health and condition while at the Fair. Animals in need of ongoing veterinary care and those who do not properly represent their breed and species will be asked to leave the fair.

All animals must be fed, fitted and shown by exhibitor. Exception: other youth, project leader, family member or other 4-H parent volunteer.

The exhibitor, parent/guardian or club leader will receive ONE warning from the superintendents regarding the proper care of animals. After that, the following rules will be enforced:

- Any animals that are not properly cared for prior to the auction will not be sold.
- Animals that are not properly cared for after the auction will disqualify the exhibitor from the sale for the following year.

Animals must be easily managed by exhibitor in the show ring; otherwise they will be disqualified from the show & sale.

Project members and animals must respect proper show attire during both the show and auction. All exhibitors and adults are expected to treat judges with respect. Anyone is welcome to discuss with the judge ways to improve their project or their showing skills after the completion of the show. It is not appropriate to harass or argue with the judge. If the judge files a written complaint to the Fair Council, that individual will not be allowed to participate or attend the judging competition or show the following year for that department.

SHEEP & GOATS

Sheep and goats are **not allowed** to be removed from the trailer until the sheep superintendent verifies that an official scrapie ear tag is present. **All sheep and goats must have an official scrapie ear tag.**

CARCASS SHOW – SWINE ONLY

- Held first Tuesday following Green Lake County Fair.
- Premiums will be offered at the carcass show to those members who are in attendance or excused per approval of the Green Lake County Fair Youth Exhibit Committee. This excuse request must be in writing and submitted to the Green Lake County UW-Extension Office by July 15.
- Champion awards will be forfeited if exhibitor is not present.

ADMINISTRATIVE RULINGS

All administrative rulings regarding animal shows will be made by the superintendent(s) of that department. Decisions made by the superintendent(s) may be appealed to the Green Lake County Fair Youth Exhibit Committee.

All administrative rulings regarding animal auction (sale) will be made by the Livestock Council President or Board of Directors. Decisions made by the Livestock Council President or Board of Directors cannot be appealed.

All General Rules and Regulations covering the Green Lake County Fair apply to all animal exhibits. These rules are published in the Green Lake County Junior Free Fair Premium Book. It is the exhibitor's responsibility to know and follow these rules.

Green Lake County Livestock Tagging

If you are planning to enter a market animal in the Green Lake County Fair Livestock Auction, then you **must** send in the form below by **March 1st**.

Even if you are only thinking about entering a market animal, you have to complete the form by the deadline. 3. Select animals of desired confirmation of the species.
4. Make sure to ask birthdates, etc., to get some idea of rate of gain of the animal.
5. Select an animal of proper size to assure that it will be of proper weight at fair time.
6. If animal is purchased, make sure to have the seller fill out the Country of Origin Affidavit/Declaration form and **keep for your own personal records.**

Animals that do not reach the required weight by fair will not be sold in the auction.

If you have questions, please contact the UW-EX Office, 920-294-4032.
