Welcome to the Green Lake County Fair

We hope that you experience a “whole lotta happy” visiting the Green Lake County Fair. Our Fair Committee and staff have worked hard to seek out educational entertainment, displays and events that will be a fun learning experience for the whole family.

We welcome your input and comments. If you have questions or concerns, please contact the Green Lake County Fair Office located in the Exhibition Building or by calling 920-294-4033.

MISSION STATEMENT OF THE GREEN LAKE COUNTY FAIR (ADOPTED 10/09)

“The mission of the Green Lake County Fair is to provide positive youth development and leadership skills, along with promoting agriculture, family, and community involvement through education and tradition.”

DON'T FORGET ABOUT THE HORSE SHOW!

This event is held prior to the Fair on Saturday, July 28 at 8:00 a.m. Green Lake County exhibitors will participate in Showmanship, English & Western classes, and speed classes.

Please be sure to check this out!

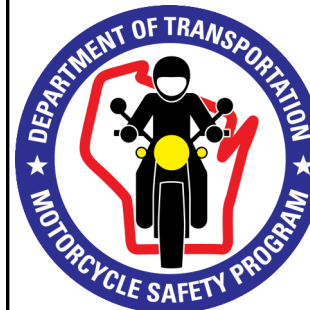

The Wisconsin Spudmobile's visit is courtesy of and supported by Alsum Farms & Produce & Trembling Prairie Farms (Bobek Family, Markesan)

The **WISCONSIN SPUDMOBILE IS BACK** visiting the Fair on Thursday, August 2 from 1:00-4:00

Trembling Prairie Farms will be donating samples for fairgoers who visit the Spudmobile.

p.m. The **Spudmobile** is the potato industry's most comprehensive educational and information resource center, on wheels, focused on potato and vegetable production. The **Spudmobile** features eight different exhibits that take visitors on a journey from the farmer's field right to the dinner plate. Through interactive technologies and eye-catching graphics, **Spudmobile** visitors will learn how farmers are fantastic stewards of the environment and how they incorporate the latest technologies into their agricultural practices. When visiting the **Spudmobile**, guests will learn about various varieties of potatoes grown in Wisconsin, how they are planted and harvested, the nutritional facts about potatoes and statistics about America's favorite vegetable. Kids will be completely engaged as they play games on the interactive touch table.

The Wisconsin Department of Transportation's Motorcycle Safety Program will be providing highway safety Public Information & Education pertaining primarily to motorcycle awareness, safety and rider education for fairgoers on Friday from Noon to 7:00 p.m., Saturday from 11:00 a.m. to 6:00 p.m. and Sunday from 10:00 a.m. to 4:00 p.m. (August 3-5). This safety program will include:

*Literature

*Distracted Driving Simulator-Users will experience the consequences of distracted driving without putting themselves or anyone else at risk.

*SMARTrainers-(Safe Motorcyclist Awareness and Recognition Trainers) are traffic simulators designed to give real-world experience riding in traffic and on public roads.

*Impairment Simulation Goggles-A hands-on prevention tool that allows people to experience with a sober mind what it's like to be under the influence of alcohol.

This Safety Program will be located just north of the Rabbit/Poultry building. Stop by and visit during the Fair.

Be Happy! Bullies Hate It!

The Green Lake County Fair is thrilled to team up with Generations Against Bullying (GAB) to offer an entertaining and fun, family-friendly program that addresses the issues of bullying! The vision of this organization is to bring awareness about the prevalence and devastating effects of bullying in our communities, and inspire children AND adults to be UPSTANDERS!

Join us Saturday, August 4 from 2:00-4:00 p.m. for GAB'S presentation starring musician, singer, dancer, actress and model, Franki Moscato and National Recognized Speaker & Anti-Bully Advocate, Michael Turner. This program has been made possible through the Francis R. & Ruth E. Oberreich Foundation.

Franki Moscato is an American singer/songwriter and actress. She performs solo concerts with only her mic and keyboard, and leaves her audiences thunderstruck. Her vocals move people of all ages with a creative mix of brilliantly-composed oldies and inspirational selections. People melt to her kindness and professional poise as she belts out legendary numbers from renowned artists. Moscato's career dates back to grade school when she first polished her artistry and shook her (Omro) school district with heartrending pieces that honored war veterans and their families. At 11 years old she sang the National Anthem for the Green Bay Packers while the community stood proud in support of her State-recognized patriotism. Moscato went on to sing for Governor Walker and was twice invited to open Miss Wisconsin Pageants. In that mix, she won the valley's biggest charity talent contest—Bright Stars Face Off. She has been cast in a number of films including an educational human trafficking collection that will soon be shared with students in schools across the country. Most recently Moscato starred in a music film that centers on a song she composed and sings about her own experience of being bullied. In July of 2017, the film won Best Music Video at both the London and Hollywood Independent Film Awards. Franki is proud to partner with Generations Against Bullying!

Michael Turner is "Redefined" in terms of what he has done to change his life. Michael has the most powerful and captivating stories of the 21st Century. He beat all odds, something science would calculate as nearly impossible. Today Michael is a successful Construction Company owner and a financial guru in day trading and the exchange market investing. Employing over 20 people in his company, his determination and preservation has brought him to writing his new book, "Redefined." Michael will captivate the audience by sheer inspiration. His powerful experience gives him the edge to motivate and influence his audience from all walks of life. You will leave his presentation feeling inspired and fully motivated with tools to change your life and be a better person forever!

"Preserving the fair for future generations"

GREEN LAKE COUNTY FAIR ENDOWMENT FUND For Good. For Ever.

At the Green Lake County Fair, it's all about the kids.

Children and teens throughout Green Lake County gather at the Fair every year for friendly competition in areas like animal showing, gardening, baking, woodworking and photography. Known as the "best little fair around," the Green Lake County Fair is a fun, family-friendly event for all ages. As one of the community's most treasured traditions, organizers wanted to

ensure that the Fair would be around for generations to come. So in 2009, the Green Lake County Fair established a charitable endowment with the Oshkosh Area Community Foundation.

"The fair is part of the fabric of our community," states former UW-Extension Family Living Educator. "We want to continue its legacy well into the future." In the short-term, the fund will assist the Green Lake County Fair in providing small improvements to enhance the fair experience. But in the long-term, the fund will allow fair organizers to pursue various special projects, perhaps even being able to purchase property for an official fairground.

In it's 75th year, the fair continues to generate excitement among the community. It's an event Green Lake County residents anticipate year-round. "It's fun to show at the fair," says a youth exhibitor. "It's my favorite part of the summer."

The Green Lake County Fair partners with the Oshkosh Area Community Foundation (OACF) to manage the Fair Fund. The OACF is a non-profit charitable organization created by and for the people of Winnebago, Waushara, Green Lake Counties and Ripon. Through charitable giving, the Community Foundation strives to make our communities thrive. For more information, please call 920.426.3993 or visit www.OshkoshAreaCF.org

For an Endowment Fund brochure or to make a tax-deductible donation, please contact the Fair Office in person or at 920.294.4033. You may also donate online using the safe, secure system at www.OshkoshAreaCF.org. When prompted, please designate your contribution to support the Green Lake County Fair Fund.
