2018 NEWS RELEASE

...the best little fair around!

ADDIE THE COW TO VISIT THE FAIR

"Addie the Cow" will be visiting the Green Lake County Fair on Saturday, August 4 from 11:00 a.m. to 4:00 p.m. Addie is a life-size fiberglass milk cow that milks, moos and wears bells and flowers. She is truly a kid and camera magnet that has been experienced each year by thousands and thousands of kids of all ages. The Sheboygan County Dairy Promotion Association

provides "Addie" with a comfortable home in which to travel. The "Addie" Team and the very visual trailer join together to provide a fantastic promotion tool for all of the dedicated dairy farm families of Wisconsin. A dairy ambassador is on hand to answer questions and provide information to visitors through the use of interactive activities and Wisconsin Milk Marketing Board resources. Children of all ages, wishing to experience first hand how to milk a cow, can learn from "Addie" while Addie helps to promote the dairy industry and the wonderful dairy products that it produces. "Addie" will be conveniently located near the Green Lake County Dairy Barn (that sells ice cream)!

The Green Lake County Fair (A Whole Lotta Happy) is scheduled for August 2-5. For more information regarding this event or for a complete Schedule of Events, please contact the UW-Extension/Fair Office at 294-4033 or visit our website at greenlake.uwex.edu.

- *The mission of the Green Lake County Fair is to provide positive youth development and leadership skills, along with promoting family and community involvement through education and tradition.* •
