

Green Lake County 4-H Project Enhancement Application

The Green Lake County Leaders Association is proud to offer youth the opportunity to develop their interests in their 4-H projects through a local grant. This grant is available to any 4-H youth who is enrolled in Green Lake County 4-H. Grants will be available to use for any project with reimbursement up to \$100 dollars in increments of \$25. This can be used for anything that would help enhance your project (i.e. art supplies, money toward a wood working tool, halters, grooming supplies, show supplies, baking ingredients or dishes etc.) To apply for this grant, youth will need to write an essay about how the grant will improve their project and fill out the attached information sheet. Each member may submit up to \$100 each year. Money should be focused to one project area however members can re-apply for the project enhancement grant in the future for other projects. Members are limited to 1 application per calendar year. The Leader's Association will provide up to \$1,000 dollars of total grants this year. Priority will be given to first time applicants. Applications will be judged based on a set standard rubric.

Following the use of the money a receipt will need to be provided to the Leaders Association for proof of purchase. **Receipts must be turned in by August 31st.**

Paper Application is available below OR [Click Here](#) the Google Form

Once filled out please return short essay and information sheet to:

Green Lake County 4-H Leaders' Association
Green Lake County Project Enhancement
571 County Road A
Green Lake, WI 54941
