Start your 4-H Journey today! Turn the page to get started...

Welcome to 4-H!

We are so excited to see you are taking an interest in Green Lake County 4-H! Join 4-H is a great first step in helping you prepare for your future and become **Beyond Ready** for all that lies ahead.

4-H is committed to helping youth learn the skills they need to be **Beyond Ready** for furthering their education, the future career, and just life in general. The focus is on project-based learning that provides hands-on experiences.

Have you been to the Green Lake County Fair? Have you seen youth showing their animals, or maybe saw some woodworking, or even some delicious looking cookies. All these are examples of projects that 4-H'ers can learn about and build skills in. Not only that, we also offer various opportunities like Five County 4-H Camp, Wisconsin 4-H Fall Forum, countless other educational experiences across Green Lake County, Wisconsin, and the US. These experiences dig deeper into the life skills that help youth become **Beyond Ready**.

There are 4 main parts of 4-H that make sure our youth are able to **Thrive. Sparks, Belonging, Relationships, and Engagement** are all key parts of the 4-H Program. As youth explore their **Sparks**, find a **Belonging** place, develop positive **Relationships** with each other and adult volunteers, and **Engage** in their learning; the youth will start to **Thrive!**

Welcome to the amazing world of 4-H. We are excited to see youth **Thrive** and become **Beyond Ready** for their future!

Green Lake County Extension Office

About 4-H

What is 4-H? 4-H is the nation's largest youth development organization serving more than six (6) million youth across 90,000 clubs in the United States. 4-H started because youth were a great tool in implementing new agricultural practices from universities. 4-H has grown and changed to provide of programming to prepare youth to be Beyond Ready for their futures.

What do the 4 "H"s stand for? The 4 "H"s stand for head, heart, hands, and health. The 4-H Pledge, which kicks off 4-H events says, *"I pledge my head to clearer thinking, my heart to great loyalty, my hands to larger service, and my health to better living for my club, my community, my country and my world."*

This commitment that 4-H'ers make is to taking their learning beyond just the 4-H program and back into their communities.

Image Text:

4-H'ers are...

Two times more likely to have the goal of being a leader.

Three Times more likely to participate in Community Service.

Two Times more likely to report living life with intentionality and purpose.

Image from Nation 4-H Benefits page!

4-H Thrive Model

What is the 4-H Thrive Model?

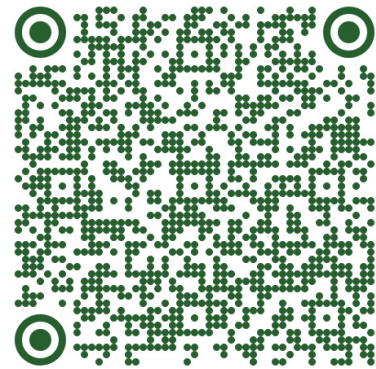

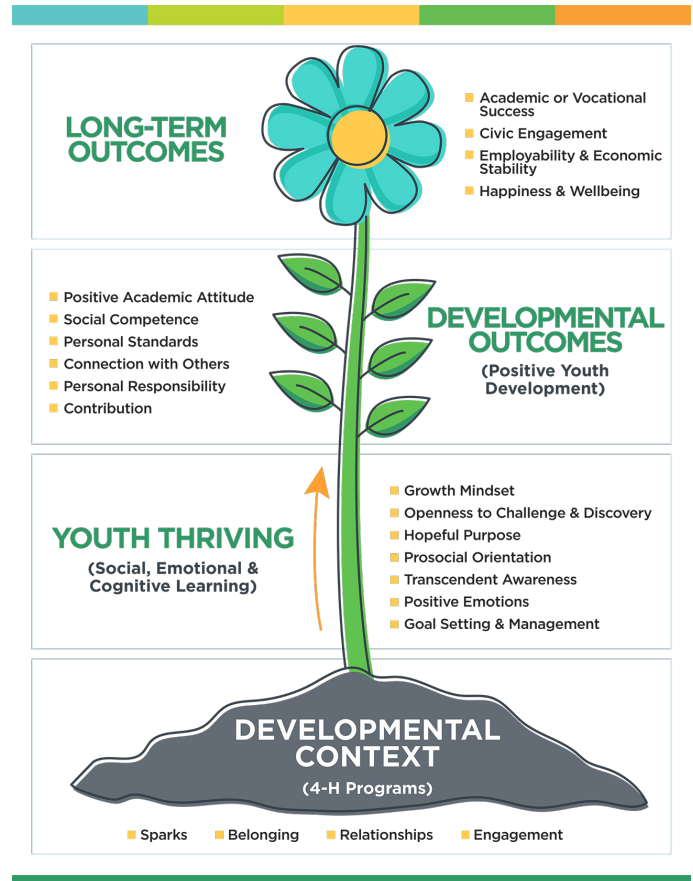

The 4-H Thrive Model is the research-backed model for how 4-H promotes positive youth development. We illustrate this through a flower that represents how youth grow and thrive in 4-H.

What are "Sparks"?

Sparks are interests or passions that youth can explore and grow throughout 4-H. Youth explore their sparks through their club meetings, project learning days (Spark Sessions/Super Saturday), and different 4-H experiences.

What is "Beyond Ready"?

Although not an official part of the thrive model, 4-H has a new initiative to prepare youth to be Beyond Ready for education, jobs, and their life after 4-H. The focus is making sure that youth have the skills and experiences they need to not only be ready, but to be Beyond Ready for all the life has in store.

Learn how to enroll on the next page...

How to join 4-H?

- 1. Find a 4-H Club:** 4-H Club meeting are the backbone of 4-H. They meet monthly and are the place where leading, learning, and laughing take place. To learn more about Green Lake County 4-H Clubs, check out the [4-H Club Contact Information Page!](#)
- 2. Enroll:** Now that you found a 4-H club for you, the next step is to enroll. Head over to [4HOnline](#) and fill out the members information!

Scan the QR Code for the Club Contact Information Website. Link to 4-H Online can be found there!

- 3. All Set:** Once your enrollment is approved in 4-H Online, you are officially a 4-H member!
- 4. News:** Now that you're enrolled, you should receive broadcasts from 4HOnline to your email with important information. They appear to come from "RegMax" which is the company owns 4-H Online. Sometimes they end up in the "Junk" folder, so watch out!

For questions or issues with Enrolling, contact the Extension Office!

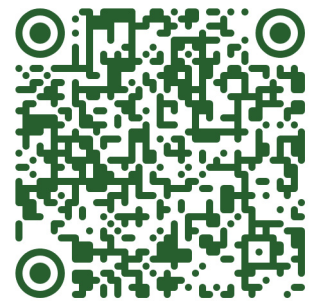

Picking your Projects:

There are tons of different project areas that you can explore in 4-H! Check out the [Wisconsin 4-H Project Guide](#) to help you discover your spark!

Spark Areas:

New this year, all the projects will fall into 6 project spark areas.

- 1. Ag & Animal Science:** Youth will get the chance to explore things like raising healthy animals for fun or food, riding horses, caring for pets, or teaching dogs new tricks.
- 2. Environmental/Outdoor Education:** Youth will get to explore riding ATVs and snowmobiles, learning about insects, hiking, adventure sports, and protecting the environment.
- 3. Plant & Soil Science:** Youth will get to explore growing vegetables or flowers, growing crops, learning about soil, or creating fairy gardens.
- 4. Leadership and Community:** Youth will explore helping younger members, being camp counselor, leading and organizing events, exploring cultures, and working on teams for special projects!
- 5. STEM:** Youth will explore building with LEGO®, problem solving, working with engines or electricity, exploring space, coding, robots, and building things.
- 6. Expressive Arts:** Youth will exploring making scrapbooks, collecting things, drawing or doing crafts, taking pictures, playing with puppets, or acting and singing.

Getting Involved in 4-H

There are many ways to get involved in 4-H from the comfort of your own home to traveling across the US. These are a few ways to get involved in 4-H:

- 1. 4-H At Home:** From working on a project to distance 4-H programs to take home kits, there are many ways to bring 4-H into your home. At home is also the time for 4-H'ers to reflect and apply their learning from 4-H programs.
- 2. 4-H Community Clubs:** Joining a club for monthly meetings gets youth the opportunity to build those important leadership skills. Youth will lead meetings, make decisions, meet new people and more.
- 3. Ambassadors:** Once youth get older, they are able to help support Green Lake County 4-H programs by becoming an Ambassador. Gain leadership experience, provide a say in county-wide programming, and meeting people from across the county.
- 4. GLC 4-H Leaders' Association:** This is a great chance for older youth and adult volunteers to support the county 4-H program. This group is dedicated to support GLC 4-H!
- 5. Wisconsin 4-H Leadership Council:** Take leadership to the next level. Meet people from across the state while planning statewide 4-H programs. Attend various events like Fall Forum and Summer Academy as a WLC member!
