10. Each project animal is expected to be in excellent health and condition while at the Fair. Animals in need of ongoing veterinary care and those who do not properly represent their breed and species will be asked to leave the Fair.

11. Exhibitors will treat animals in a humane manner and provide appropriate animal care and management.

12. All animal exhibitors not providing proper feeding, cleaning and care, will receive one warning notice from the superintendent. If the issue has not been addressed in a timely manner, a second notice will be issued from the Youth Exhibit Committee Chair. If the issue has not been addressed in a timely manner after the second notice, the exhibitor will forfeit premiums and will be issued a one year suspension from exhibiting animals at the Green Lake County Fair. Fitting / Grooming must be done by exhibitor or family only.

15. All decisions of the judge are final. Any exhibitor, parent, or spectator who shall attempt to interfere with the deliberations or decisions of the judge, will be excluded from competition in that class and forfeit all rights to premiums. All exhibitors and adults are expected to treat judges with respect. Anyone is welcome to discuss with the judge ways to improve their project or their showing skills after the completion of the show. It is not appropriate to harass or argue with the judge. If the judge files a written complaint to the Fair Committee, that individual

will not be allowed to participate or attend the judging competition or show the following year for that department.

16. All decisions of the superintendent are final.

Any exhibitor, parent, or spectator who shall attempt to interfere with the deliberations or decisions of the superintendent, will be excluded from competition in that class and forfeit all rights to premiums. All exhibitors and adults are expected to treat superintendents with respect. It is not appropriate to harass or argue with the superintendent. If the superintendent files a written complaint to the Fair Committee, that individual will not be allowed to participate or attend the judging competition or show the following year for that department.

17. All animals going to slaughter will be released when trucks are available to haul. All other animals or non-animal projects will not be released until 4:15pm on Sunday, with no exceptions. **The Exhibit hall doors will be closed at 4:00pm to organize items for release.** Exhibits not picked up will be available at the Training Room for 60 days.

18. There shall be no signs posted in any Fair buildings, other than those approved and posted by the order of the Fair Management. The exhibitor may display official entry tags, identification cards and ribbons.

19. No exhibitor shall wear clothing that bears commercial advertising when competing before the judge in any event.

20. All individuals/organizations/businesses renting or leasing space for commercial exhibits or any other special privileges will be required to pay for them in advance. Exhibits must be in place by 8:00 a.m. on Thursday and remain until Sunday at 4:00 p.m.

21. Green Lake County, the Fair Committee, Extension Educators, FFA Advisors, Youth Exhibit Committee, and Green Lake County Board of Supervisors, their agents or employees shall not be liable for any property damages or loss due to personal injury of Fair visitors or exhibitors.

22. General supervision of the grounds and exhibitors is vested in the Fair Committee who shall see that order is maintained. Exhibitors will be held responsible for any damage or accident, which may be caused by their entries. It is further understood that Green Lake County can only accept responsibility for damages when legally liable due to negligent acts of county officials and/or employees.

23. The Green Lake County Fair reserves the final and absolute right to interpret these rules and

resolutions and arbitrarily settle and determine all matters, questions and difference in regard hereto, or otherwise rising out of, connected with or incident to the Fair.

24. All Green Lake County Junior and Open Class premiums paid out to exhibitors must be cashed within 60 days of the date issued on the check. After 60 days have expired, the check is void and will not be reissued.

25. Recipients of donated awards will be selected by the judge of that department in which the award is donated.

26. Any exhibitor who violates fair rules, or is guilty of misconduct such as the possession and/or use of alcohol or drugs during the Fair, will be disqualified, forfeit all premiums, **or face suspension at the discretion of the YEC committee or Fair Coordinator.**

27. Exhibitors are expected to refrain from gambling, sexual misconduct, harassment, and objectionable language (including swearing).

28. All fair exhibitors may enter only one exhibit per premium or lot number in the Junior and Open Divisions.

29. If a substitution is allowed, it may be made only within that department and division. The Department Superintendent will make the final decision as to whether a substitution will be allowed prior to judging.

30. All exhibitors have the responsibility of showing their own exhibits in individual conference judging. **THE ONLY EXCEPTION TO THIS RULE** is sickness, injury or death in the immediate family. The Youth Exhibit Committee will make the final determination. If other activities such as camp, vacation, school activities, job, or skill lessons will interfere with the exhibitor showing their own exhibits, the exhibitor should consider entering the project in Open Class, or making changes in their schedule to accommodate attendance at the fair with their project. Individual conference judging is an important aspect of the 4-H and youth project areas and it is important that the exhibitors show their own exhibit.

31. If an exhibitor or exhibitor's entry is in question due to misrepresentation, validity of ownership or management, the same item was exhibited at previous fairs, or any other violation of rules, the person questioning will take their concern in writing to the Youth Exhibit Committee and the members will make the final decision. If the Youth Exhibit Committee determines the exhibitor to be in violation, the exhibitor will be disqualified.

32. No private "for sale" or advertising signs may be posted in the Junior or Open Class exhibit areas, unless pre-approved by the Fair Com-

mittee (with the exception of rabbits and poultry). Sign may only be the size of a postcard.

33. Premiums will be mailed to the exhibitors as soon as they are processed. Because premiums are funded through WDATCP and with the uncertain state budget situation, premiums stated in the Fair Book (Premium List) may be reduced or eliminated.

34. Respect of Self: Self-respect is most important. It is extremely difficult to respect others if you don't respect yourself. Respecting yourself includes good personal grooming, neatness and cleanliness (pertaining to your person and immediate personal surroundings). Respect for Adults: Respect for adults reflects a willingness and choice to learn from their knowledge and wider experiences. Respect of Children: Children deserve respect that comes with patience and understanding of their special needs. Respect of Peers: Peer respect means choosing to treat people with whom you associate with fairly and with dignity. Respect of Property: The word property covers many things. Respect means choosing to use another's property with permission and handling it with care while in your possession. Respect of Country: Recognizing our country's

symbols like the flag, national anthem, etc. is a way of demonstrating respect.

35. Personal Grooming and Dress: During judging you are expected to use good judgment in selecting appropriate clothing to wear. It is an expectation that you wear clothing that fits properly, is neat and is not revealing as to cause a distraction. For safety reasons, shoes must be worn. Clothing or articles displaying obscenities, suggestive slogans and/or images, nudity, gangs, crime, violence, occult worship, slanderous or harassing, encourages disruptive behavior. You should have no skin exposed from mid-thigh to the armpit line. Undergarments are to be completely covered at all times. Muscle shirts, spaghetti straps, tank tops, see-through clothing, bare midriffs, torn or ripped clothing, chains, strapless and/or backless outfits, spandex and beachwear should not be worn. If you choose to dress inappropriately, you will be asked to correct the problem by changing clothes.

36. Exhibitors violating any of the above will be subject to any or all of the following consequences.

- Notification of emergency personnel if there is reason to believe it is necessary.
- Notification of parents or guardians.

## **ATCP 160.02 PREMIUM REQUIREMENTS.**

### **(1) General.**

(a) The state aid authorized by s. 93.23(1), Stats., may be paid only on net premiums, which consist of total premiums paid less total entry fees received. The department may withhold state premium aid from any fair, which does not enforce the animal health provisions required under ch. ATCP 10 for all classes of livestock exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.

(b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.

(c) Premiums offered shall be definite in amount.

No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.

(d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.

(e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was

entered in the junior division only as part of a herd group, carcass class or performance class.

(f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.

### **(2) Premium Lists.**

(a) Premiums for which state aid are requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. ATCP 160.92 (3)(c).

(b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.

(c) Sections ATCP 160.01 through 160.07 and 160.91 shall be published in premium books used by a fair for which state aid is requested.

### **(3) Entry fees.**

(b) Exhibitors in department 35 shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.

### **(4) Split Fair Dates.**

(a) For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.

(b) Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split fair dates based on hardship.

(c) The department may pay state aid for the following exhibits or contests in a fair having split dates, with advance notification to the department 1) Clothing Revue. 2) Demonstrations. 3) Favorite Foods Revue. 4) Dogs. 4m) Cats. 5) Small Animals. 6) Rocketry. 7) Shooting sports. 7m) Mechanical projects 8) Other exhibits and contests that are similar to those identified in subds. 1. To 7.

(d) If there are split dates under par. (b) or (c), all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or an educational exhibit to repeat a demonstration or exhibit.

### **ATCP 160.03 EXHIBITION REQUIREMENTS.**

A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

(1) No fair society or other organization sponsoring a county or district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society, or require an exhibitor in any other way to make a donation to the society.

(2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.

(3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the showing on regular fair dates unless approval for split fair dates is obtained under s.ATCP160.02(4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s.ATCP 160.49 (7). (4) State aid may not be paid on exhibits removed from the fairgrounds before 4p.m. of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time junior fair exhibitors of horses shall keep their animals on the grounds.

### **ATCP 160.05 OPEN DIVISION; GENERAL REQUIREMENTS.**

(1) The total maximum premiums set forth for all places in any open division livestock class, excluding poultry and rabbits, may be divided into premiums for a greater number of places, but the maximum premium offered for any additional place shall not be higher than the maximum for last place in the class.

# Animal Health Regulations

## Fairs and Shows in Wisconsin: 2026 Season

This is a summary of animal health requirements for fairs, shows, and exhibitions. They are not necessarily the same as requirements for importing animals into Wisconsin or moving them within the state for other purposes. They may change if animal diseases occur in Wisconsin or elsewhere, so always check [datcp.wi.gov](http://datcp.wi.gov) or contact us for current information. Fairs or exhibitions may have their own additional requirements. Exhibitors should contact the event organizers for more information. Ref. s. ATCP 10.87, Wis. Admin. Code.

<p><b>General requirements for event organizers</b></p>	<p><b>All fairs or exhibitions of any length</b> must obtain, review, and keep for five years all required records and test results:</p> <ul style="list-style-type: none"> <li>• Exhibitor's name and address</li> <li>• Animal identification (number, type, description, and, when required, official identification (<i>see requirements for different animals below</i>))</li> <li>• Documents showing compliance with disease testing and other health requirements</li> <li>• Livestock premises number, if any, where animals originated</li> <li>• Documentation showing legal importation to the event (if applicable) and, when required, movement to the event (<i>see requirements for different animals below</i>)</li> <li>• For swine, a record of any swine transported directly to a slaughtering establishment</li> <li>• For swine, a record of any swine transported to an animal market where all animals sold at the market sale for that day were shipped directly to a slaughtering establishment</li> </ul> <p><b>Fairs or exhibitions lasting more than 24 hours</b> must appoint a licensed veterinarian to inspect all animals daily.</p> <p><b>Note:</b> Except in specific circumstances, if an animal already bears an official 840 eartag, that eartag must not be removed and additional official eartags must not be applied. Instead, the existing eartag must be read and recorded when a record of that animal is required. (Ref. s. ATCP 10.045, Wis. Admin. Code)</p> <p><b>These regulations apply</b> to all fairs and exhibitions, including additional events (like rodeos, shows, or other organized events) that occur in conjunction with the fair.</p>
<p><b>Diseases</b></p>	<p><b>Lactating Dairy Cattle:</b> Effective April 29, 2024 and June 19, 2024 respectively, all lactating dairy cattle moved interstate and lactating dairy cattle moved to fairs, shows, and exhibitions in Wisconsin are required to have a negative influenza A test from a milk sample collected within seven (7) days of movement. Such animals should not attend the fair, show, or exhibition. Animals may be denied entry if they arrive at these events with contagious or infectious diseases, isolated and/or removed if they develop disease after arriving or be subject to other action as would be necessary to control disease. (Ref. s. ATCP 10.08(1), Wis. Admin. Requirements are subject to change as conditions warrant. For current information, check

[https://datcp.wi.gov/Pages/Programs\\_Services/CattleBison.aspx](https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx).

## Swine

**Note:** *These regulations apply to all swine, including pet pigs and racing pigs.*

**Note:** *Herd of origin means the herd in which the pigs currently reside, likely the exhibitor's herd. When pigs are purchased from a herd, the herd from which they originate is the herd of origin for the seller. Once the purchased pigs are added into the buyer's herd (even if the buyer's herd only consists of one or just a few animals), the buyer's herd becomes the new herd of origin and that herd must meet testing requirements to move pigs again.*

**Swine FROM WITHIN WISCONSIN** (Ref. s. ATCP 10.32(2) and 10.87, Wis. Admin. Code) need a Wisconsin intrastate certificate of veterinary inspection (CVI or health certificate)<sup>a</sup>:

- Stating that the entire herd of origin on the farm was inspected within 30 days before the show and no apparent disease was present at the time of inspection<sup>d</sup>.
- **Non-terminal Exhibitions:** All swine must have a PRRS (Porcine Reproductive and Respiratory Syndrome) and PEDv (Porcine Epidemic Diarrhea virus) test of the herd of origin within 90 days of the end of the exhibition<sup>c</sup>. Include test date, type, and results on the CVI.
- **Terminal Exhibitions:** No testing requirements<sup>c</sup>.

**Note:** *Terminal Exhibitions are those at which all the swine go directly from the fair/show to the slaughtering establishment OR to a slaughter only market sale. Shows or exhibitions are either terminal or non-terminal. If all of the pigs at the event are not going directly to slaughter (including through a slaughter only market sale), it is considered a non-terminal exhibition. For non-terminal exhibitions, all the pigs at the show or exhibition will need to be tested prior to the event even if individual animals will go directly to slaughter. If going to a slaughter only market sale, contact the Division of Animal Health fair inspector for required information to collect.*

**Note:** *If the fair intends to use a load-out facility, contact the Division of Animal Health in advance to discuss requirements that must be met.*

**Swine FROM OUTSIDE WISCONSIN** (Ref. s. ATCP 10.30 and 10.87, Wis. Admin. Code) need a certificate of veterinary inspection (CVI or health certificate)<sup>a</sup> that includes the following:

- The negative results of the PRRS test<sup>c</sup> from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- The negative results of the PEDv test<sup>c</sup> from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- A statement that the veterinarian has inspected the entire herd of origin within the past 30 days and that no clinical signs of PRRS and PEDv or any other apparent disease was present at the time of inspection<sup>d</sup>.

## **Class C - Agility**

Premiums: \$4.50 \$3.50 \$2.50 \$1.50

Dog Agility is a dog sport in which a handler directs a dog through an obstacle course in a race for both time and accuracy. Dogs run on and off leash with no food or toys as incentives and the handler can touch neither dog nor obstacles laid out by a judge in a design of his or her own choosing in an area of a specified size. The surface may be sand, grass, dirt, rubber, or special matting. Depending on the type of competition, the obstacles may be marked with numbers indicating the order in which they must be completed. Small and medium sized breed dogs under the age of one (1) should not participate and large breed dogs under the age of one and a half (1-1/2) should not participate for their joints are not strong enough at those ages. Handler can enter no more than two (2) dogs per class.

## **Agility Rules and Information - On Leash**

The course consists of 10-15 obstacles and is to be completed in 75 seconds. Before competition begins, handlers will be allowed to walk through the course to become familiar. Handlers can ask any questions they may have at that time. No food or toys are permitted during competition. Handlers may be on either side of the dog while running the course. Flat collars are required for all dogs. No pinch or choke collars are allowed in the agility course.

## **Agility Rules and Information - Off Leash**
